

How to find SSC

For GPS: PL12 4EL

Approaching from Plymouth cross the Tamar Bridge keeping in the left hand lane and take the first exit (1). Keep left as you approach the traffic lights. Through the lights takes you into Saltash high street. Proceed to the pedestrian crossing and turn left immediately after (2). Follow this road and bear left (3) on the bend then first left (4), taking you past a car park and down the hill. At the sharp left bend at the bottom of the hill (5) turn right to pass between the two buildings (the one on the left is the Union pub). SSC is at the far right of the foreshore.

Approaching from the west, follow the signs for Plymouth but take the left exit (6) about 100m before you enter the tunnel leading to the Tamar Bridge. At the lights take the 1st left (7) but be careful to follow the road round to the right as there is another immediate left on this junction. The road will take you down to the river and under the Tamar Bridge. There is a sharp right bend by the children's playground; take the next left by the Union pub (5) on the sharp right bend and go on to the foreshore. Follow this to the right for SSC.
